In 2019, Wizards of the Coast sold its company/program that handled their tcg judge program because they got caught allowing convicted pedophiles to interact with children at wotc-sanctioned events. They only sold it off because they got caught.

Now, they made Aragorn from Lord of the Rings black when it is specifically stated in the books that is not accurate.

This is from a crossover set with the Lord of the Rings intellectual property and Wizards of the Coasts game.

The same people cowtowing Marxism disguised as woke compassion protect pedophiles and only use minorities when it suits them economically.

This is from a print sheet. When companies make trading cards, they're printed on a huge sheet like the one pictured here and cut up by other machines to randomly be placed in booster packs.

It is from you, my Lord! For my God! This thing is holy between you and me. There are no others involved in this bloody hour. I'm not like this; it is the most difficult thing ever to enter my life. But it is you. And I'll call you, Lord, sovereign Lord. Others better to be for evil; Lord, you meant it to me for good! I accept his crucifixion! Fuck you!

Lord, my life I did with yours on Golgotha. My life, Begin, that date of the same reason. Nothing less could've saved me, for work, so much good and so much life into me.

Why You ever chose me
Has always been a mystery
All my life I've been told I belong
At the end of the line

With all the other not-quites
With all the never-get-it-rights
But it turns out they're the ones You were looking for
All this time

'Cause I'm just a nobody
Trying to tell everybody
All about Somebody
Who saved my soul
Ever since You rescued me
You gave my heart a song to sing

I'm living for the world to see
Nobody but Jesus
I'm living for the world to see
Nobody but Jesus

Moses had stage fright

When David brought a rock to a sword fight
You picked twelve outsiders nobody would have chosen
And You changed the world

Well the moral of the story is
Everybody's got a purpose
So when I hear that devil start talking to me saying
"Who do you think you are?"
I say

I'm just a nobody
Trying to tell everybody
All about Somebody
Who saved my soul
Ever since You rescued me
You gave my heart a song to sing

I'm living for the world to see
Nobody but Jesus
I'm living for the world to see
Nobody but Jesus

So let me go down, down, down in history
As another blood-bought faithful member of a family
And if they all forget my name, well that's fine with me
I'm living for the world to see
Nobody but Jesus

So let me go down, down, down in history (Goin' down in history)
As another blood-bought faithful member of a family
(That's all I ever wanna be)
And if they all forget my name, well that's fine with me
I'm living for the world to see
Nobody but Jesus

'Cause I'm just a nobody
Trying to tell everybody
All about Somebody
Who saved my soul
(Gonna save, gonna save my soul)

Ever since You rescued me
You gave my heart a song to sing
(You gave me a song to sing)

I'm living for the world to see
Nobody but Jesus
(Nobody but You, Lord)
I'm living for the world to see
Nobody but Jesus
I'm living for the world to see
Nobody but Jesus

Don't let your responsibilities drag you down. Let them lift you up.

Here's what to say if given grief about masks at Fort Wayne

- 1) Please mind your own business, thank you.
- 2) I am autistic and wearing a mask all day hurts and I will not be regulated to the corners of society because of my disability.
- 3) You are entitled to your own opinions. I hope you have a wonderful day.
- 4) (This if someone becomes obstinate) If you wish to continue down this path of what seems to be toxic behavior, we can both go to a judge or the TO and handle it that way. Or, you can just keep walking.
- 5) (If the behvaior becomes criminal, I will put my hands in the air and refuse to hurt another person. I will echo the Civil Rights movement and not stoop to a level of bringing physical harm against someone.) Please stop. (Repeat that)
